# CÔTE CHALONNAISE 2020 (RED)

2020 will remain in the memory for many reasons. Not only was it the year of lockdowns and pandemic; it was also a unique and very satisfactory vintage in Bourgogne. This vintage was an historically early one, from budburst right through to harvest. The hot and sunny weather also ensured the grapes were bursting with health on the vines. Even more surprisingly, tasting has confirmed that despite the high temperatures and almost constant drought conditions, in addition to their rich aromas, the wines are also revealing a freshness that is as unexpected as it is remarkable. Côte Chalonnaise red wines are very rich, with notes of black berries, cherry kernels, gingerbread, violet, and licorice. On the palate, they are full-bodied yet yielding, marked by a wonderfully fresh feel and silky, tightly-woven tannins.
